

## SEED PRODUCTION OF THE COMPUTATIONAL PROCESSOR

### COMBINED PRODUCTION OF COMPONENT 1:

choice | conform | death | garbage | ignorance | immature | insensible | misunderstanding | opinion | PETA | pollution | repetition | ridiculous  
| sheep | wasteful

### COMBINED PRODUCTION OF COMPONENT 2:

activists | adult | advantage | age | alleys | appreciation | artist | calligraphy | career | cleanest | communication | conscious | death | decision | direction | dirt people | dirtiness | disgusting | enjoy la vida | environmentalism | every day | food | fun | ghosts | gutter | gutter | homeless people | humans | messenger | old world | passion | person | planning | rats | religion | responsibility | romans | skid row | symbolism | tagging | teamwork | toilet | trash | trash | trash | vandalism | vision | voice | waiting

COMBINED PRODUCTION OF COMPONENT 3:

active | answers | appeal | beach | beings | cats | clock | collective | cycled | depend | documentary | dogs | dreams | future | future | goal | goal | hope | images | itself | justifies | juxtaposed | kung fu | laughter | life | listen | looking | losses | love | meaning | messages | momentum | more | move | mutual | need | needs | oceans | opinion | people | people | perpetuates | personal | plankton | plastics | portable | present | problems | problems | protests | recycle | rights | self-sufficient | sewage | shaping | shortest | showers | sit | solutions | time | toilets | towards | toxic | vision | walking | watching

### COMBINED PRODUCTION OF COMPONENT 4:

ascendancy | biomass | bleeding heart | change | clash | collective vision | collectivity | concern | conflict | confusion | contradiction | definition | disconnect with reality | dumb question | filtration | fish | fish tank | frustration | future | goal orientation | grammatical errors | hybrid vehicles | ignorance | irritation | life | Lucy Lee | meaning | melancholy | movement | nature | non-human beings | physical stimuli | population control | punctuation | quiet | sarcasm | sea life | shit | shush | shut-up | silence | skewed world view | society | supremacy | temporal/spatial dependence | the world | things that I enjoy | thoughts | today | trash | unnecessary reality | vegetation | water | what you think about littering

### COMBINED PRODUCTION OF COMPONENT 5:

99% | activist | anti-establishment | awareness | boring | change | China | content | crisis | cycle | cycle | dilemma | disaster | dull | effect | emotion | empty | excitement | experiment | fear | fresh | greed | happiness | huge | human | incident | individuality | insignificance | ironic | life | life | morning | nature | nature | night | peace | peace | person | pollution | predict | refresh | renew | repetition | revolution | safety | sport | water | water | young

### COMBINED PRODUCTION OF COMPONENT 6:

1913 | 50% | 2' | action | action | anger | anywhere | anywhere | art | awesome | awesome | bacteria | best | best | biomass | breakdown | built | buy | cannot | cat | chance | change | change | clock | close | close | competitions | compost | concern | concern | control | cool | correct | cure | depend | destroy | don't | don't | door | emphasize | eye | feels | five | flooding | garden | glasses | glasses | global warming | goal | hope | hope | huge | human | h'up | h'ups | impossible | individuals | is | is | it | it | joke | justifies | juxtaposed | knock | lead | lines | listen | mass production | measure | measure | mess | mess | much | much | new life | open | opinion | opportunity | patience | patient | patient | pink | plain | point | point of view | pollution | pollution | preserves | probably | probably | processes | produce | quiet | quietness | race | reach | reality | relief | relies | researchers | response | seeds | sensibility | situation | spending | start | start | sturdy | sustainable | take | take | to shut | today | tomorrow | tomorrow | towards | uncontrolled | upheaval | vision | watching | when | why | William Mulholland | wrong | wrong | you | you

### COMBINED PRODUCTION OF COMPONENT 7:

[illegible]

COMBINED PRODUCTION OF COMPONENT 8:

?[?] ?[?] action | alack | alarm clock | alone | alone | amnesia | anyone | apocalyptic | bad | bad | bad | black | cereal | change | concerns | confusion | cups | curses | cursed | dance | dancer | dark | death | discovery | discovery | doom | doom | down | earth | emo | entertainment | environment | envy | family | fiends | fun | fun | fun | happiness | imagination | law | life | lights | long | meltdown | more | morning | new | nightmare | non-artistic | non-visionary | ocean | people | pollution | preserves | question | rain | scared | serious | someone | speech | sun | threat | together | torture | unity | waste | water | water | water | write | years

COMBINED PRODUCTION OF COMPONENT 9:

change | chicago | children | clean | CO2 | conservation | drainage | drink | education | flood | future | goal | hairspray | happy | homeless | killing | oil | pattern | pollution | regulation | repeat | rule | same | shelter | social problem | time | toilets | water | water pollution

COMBINED PRODUCTION OF COMPONENT 10:

address | anger | annoy | anxious | bacteria | biomass | brainwash | clever | closely | comfort | commitment | compost | concerned |  
conceding | corny | coy | cultivation | damage | deal | depend | derivative | desperate | disappointment | doubt | doubt | effort | fascist |  
fun | game | gutsy | historic | hope | humans | idealism | ignorance | ignorance | ignorant | impossible | improbable | innovative | insisting |  
lake | lead | listen | lost | message | message | nature | oceans | odd | opportunity | out | patriotic | perspective | philosophy | pleading |  
poetic | poetic | political | possibility | proactive | progressive | promise | reality | reasonable | relating | repetitive | responsibility | rush |  
scared | selfish | selflessness | sensibility | sight | storytelling | surrender | system | takes | teamwork | telemarketing | textbook | time | track |  
trust | truth | truth | Vince Lombardi | weak | years | years

COMBINED PRODUCTION OF COMPONENT 11:

biomass | birth | bleeding | Blackberry | bath | calm | can | cans | cat | confused | cool | day | death | decomposing | domestic |  
dreams | dreamed | ended | errors | event | fashion | fecal matter | flooding | flowers | food waste | fuel | future | future | gardens | glasses |  
global warming | global warming | goal | heart broken | history | hope | hope | hunger | hybrid | images | irrigation | irritation | knowledge |  
lawn | leak | less | less | life | living entities | manure | marine life | market | mass | meditation | melancholy | methods | morals | drop |  
more | nature | needs | nutrients | object | ocean | oil | oppressed | outcome | past | patients | perfect | pictures | pipes | plankton | plants |  
pollution | pollution | pollution | pollution | poop | poop | power | power | present | present | products | quietness | recycle | regulations |  
reuse | reuse | reuse | right room | Santa Maria | segregation | shelter | ship | space | split | stress | submission | take | time | Titanic | today |  
tomorrow | transportation | vegetarians | waste | waste | water plants | water pollution | wisdom | wrong | years

ALL SEEDS COMBINED:
